# THE MAD OUTTAKES FROM THIS

Target locked  
on the Aniston-Pitt  
marriagel

Mr. &  
Mrs.  
Smith

You can laugh  
at my trike —  
but I'm still  
better-equipped  
than most soldiers  
in Iraq!

Do you like  
my outfit? It's from  
the Victoria's Secret  
"An Extra 10 Million at  
the Box Office"  
collection!

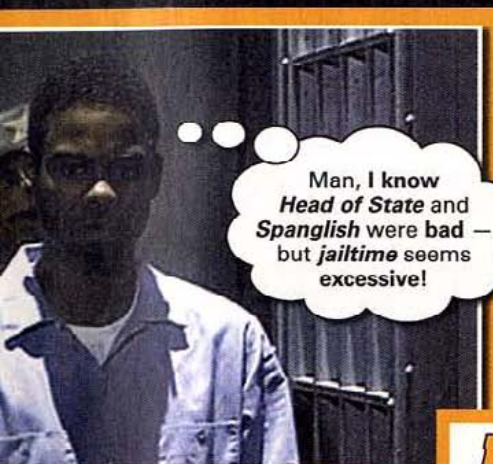

Turn that  
night vision camera off!  
I am NOT making  
a Paris Hilton-style  
video!

## SUMMER'S CRAP-SUCKIEST MOVIES

Man, I know *Head of State* and *Spanglish* were bad — but *jailtime* seems excessive!

Let's shoot Sandler before he makes another movie. No one will blame us!

### THE LONGEST YARD

Au contraire, Mr. Sandler! *Babe the pig* was a better actor than you!

No, Johnny Storm, I *don't* want to see your "Duraflame Log"!

### FANTASTIC 4

Now we'll see just how good Geico is at paying claims!

Wow, I think I can see the hordes of eager fans in line for our movie — oh, no, wait, they're all fleeing the theater!
